Galaxy

Exclusive to The Leisure World Group

www.leisureworldgroup.com

Why buy from Leisure World?

The Lunar Galaxy has been developed and built exclusively for Leisure World at a non-exclusive price tag. Leisure World is one of the largest Lunar retailers in the UK and therefore customers benefit from our buying power when purchasing any Lunar model through one of our dealerships.

Leisure World have been a family business for over 30 years. This started in 1984 with Catterick Caravans, and now extends across 16 acres with the introduction of Ebor Leisure World and Tyneside Leisure World in 2012.

Despite our size we very much remain small enough to care and our beliefs and commitment are to Quality products at Competitive prices, supported by an Industry Leading Aftersales operation, that always aims to exceed our customers' expectations.

As part of our commitment to delivering industry leading Aftersales support to our customers we have recently launched Leisure World Mobile Support to help those customers that are in need of this level of service.

At Leisure World you get to enjoy the best of both, we are large enough to enable you to benefit from our buying power but remain a family business that cares and will do its very best to deliver exceptional customer service.

We hope you choose to join the Leisure World family...

Catterick Caravans

Catterick Bridge, Richmond, Yorkshire, DL10 7JB
T 01748 818 391

Ebor Leisure World

Malton Road, Flaxton Moor, York, YO60 7SE
T 01904 468 334

Tyneside Leisure World

Portobello Trading Estate, Birtley, DH3 2SN

NCC Approved Dealership scheme

All of our dealerships are Approved members of the NCC Approved Dealership schemes (both Tourers and Motorhomes).

If you are dealing with an NCC Approved Dealer you are safe in the knowledge that it makes a conscious and tangible commitment to you to protect your interests and to operate to best industry practice and maintain high standards.

NCC Approved Workshop scheme

All of our dealerships are Approved members of the NCC Approved Workshop schemes (both Workshop and Mobile).

Using an Approved Workshop gives you peace of mind that the technician working on your tourer or motorhome is qualified to the required standards. They will normally guarantee all repairs for a minimum of six months and take all reasonable steps to protect the validity of any unexpired warranties.

Black Horse Approved dealer

All of our dealerships are Approved members of the Black Horse Approved dealer scheme

Where you see the Approved Dealer logo, you can rest assured that the dealership is there to help you find the finance for your vehicle.

Why buy the Lunar Galaxy?

The Lunar Galaxy is stylishly designed inside and out with a great attention to detail. It is also packed full of features that would normally only be found on manufacturers flagship models.

The Lunar Galaxy price tag is little more than that of the entry level Lunar Quasar.

1. Soft furnishings scheme in 'Carabu' and new front fascia with built-in lighting

2. New fully integrated sun roof. 'Skyview' roof light with LED inset lighting

3. 'Easy Action' slide out bed bases

1

2

3

Warranty

Galaxy caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturer's backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Galaxy model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards and the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation.

Every caravan carries the NCC Approved Caravan badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

Caravan Payloads: The method of calculating the MRO and payload figures has been changed. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).

Special thanks
