Specifications	Missouri	Yukon	Colorado
Berths	4	2 / 3	4
Axles	1	2	2
Internal Length	5.32m	6.03m	6.81m
Overall Length*	6.81m	7.60m	8.25m
Overall Width*	2.29m	2.29m	2.50m
Overall Height*	2.65m	2.65m	2.65m
Internal Headroom	1.99m	1.99m	1.99m
Mass in Running Order	1635kg	1870kg	2135kg
Maximum Technical Permissible Laden Mass (MTPLM)	1825kg	2100kg	2400kg

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc
2. 19.8kg allowance for LPG
3. 35kg allowance for water in the fresh water tank.
4. 8.4kg allowance for water in the water heater.

The MRO is calculated with the fresh water tank and boiler full but the toilet flush tank empty. If you travel without water in the fresh water tank the payload can be increased proportionally.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your Airstream dealer for more information.

The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

*The dimensions and weights given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your Airstream dealer for more information.

Exterior Features

Handcrafted buck riveted aluminium bodyshell, timeless iconic design

Rounded aerodynamic shape for superior towing performance

Fluoropolymer clear coated aluminium panels inside and out

Semi-monocoque all aluminium superstructure

Hand crafted Airstream welded extruded aluminium window frames

Tempered tinted windows with double cam latching system
